

# Updating Expertise in ExpertsUSM from MRDCS v6 to v7

## Updating existing Area of Expertise

1. Go to My Expertise

2. Select  icon to update Area of Expertise

#	Version	Category/Group	Area of Expertise	Details	Created	Status	Approval	Remarks	Actions
3	6	MATERIAL SCIENCES >> Advanced Materials	Metals and Metal Alloy Materials		05-10-2022 18-01-25	APPROVED	RAA SHOH BIN SHAH	20-07-2023 13-12-23	Delete

2. Area of Expertise is automatically inserted in the search box

3. Click 'Search for MRDCSv7 Code' and result(s) will be displayed here

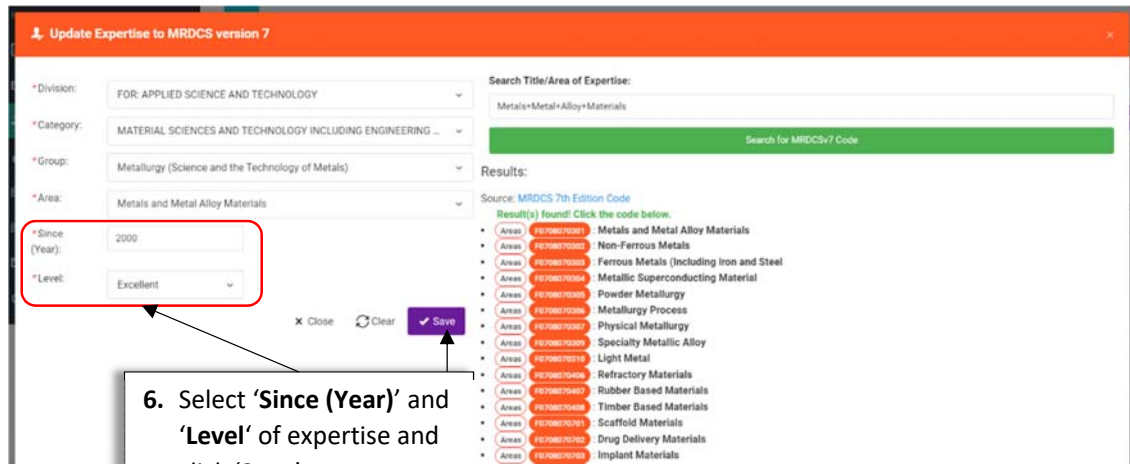

4. Select the code that best represents the chosen area of expertise. 'Division/Category/Group/Area' fields will be inserted based on the selected code.

Search Title/Area of Expertise: Metals+Metal+Alloy+Materials

Search for MRDCSv7 Code

Result(s) found! Click the code below.

- Areas: F0708070301 Metals and Metal Alloy Materials
- Areas: F0708070302 Non-Ferrous Metals
- Areas: F0708070303 Ferrous Metals (Including Iron and Steel)
- Areas: F0708070304 Metallic Superconducting Material
- Areas: F0708070305 Powder Metallurgy
- Areas: F0708070306 Metallurgy Process
- Areas: F0708070307 Physical Metallurgy
- Areas: F0708070308 Specialty Metallic Alloy
- Areas: F0708070310 Light Metal
- Areas: F0708070400 Refractory Materials
- Areas: F0708070401 Rubber Based Materials
- Areas: F0708070406 Timber Based Materials
- Areas: F0708070701 Scaffold Materials
- Areas: F0708070702 Drug Delivery Materials
- Areas: F0708070703 Implant Materials

6. Select 'Since (Year)' and 'Level' of expertise and click 'Save'

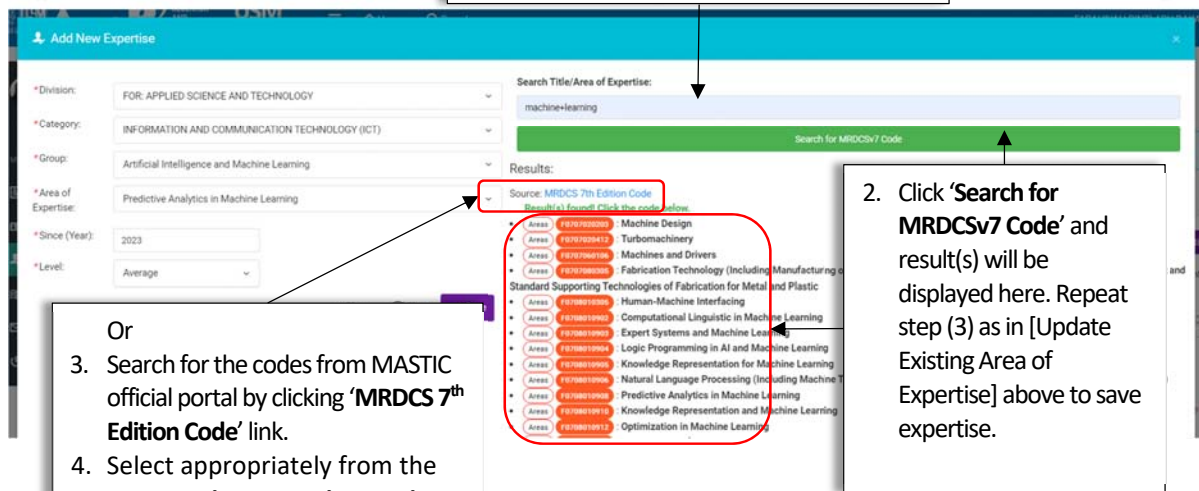

5. Your expertise is updated as shown in the list with the updated version

### Add New Expertise

1. Click 'Add Expertise' button and input keywords delimited with '+' symbol in the searchbox describing your expertise. e.g: machine+learning

Or

3. Search for the codes from MASTIC official portal by clicking 'MRDCS 7<sup>th</sup> Edition Code' link.
4. Select appropriately from the 'Division/Category/Group/Area' dropdown.
5. Repeat step (5) as in [Update Existing Area of Expertise] above to save expertise.

2. Click 'Search for MRDCSv7 Code' and result(s) will be displayed here. Repeat step (3) as in [Update Existing Area of Expertise] above to save expertise.
